Brooklyn, NY 11201

*Long Island Housing Services, Inc., et al. v. NPS Holiday Square LLC, et al.,*  
Case No. 18-CV-03583 (DG) (JMW)

Dear Judge Wicks:

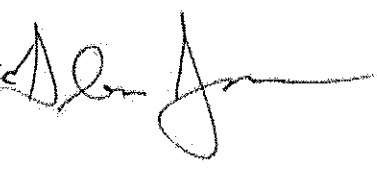

We write in response to the Order issued in this case on November 29, 2022, in which the Court denied defendants' consent motion to seal various documents. The Court further instructed the parties "to file a letter-motion, with supporting citations . . . explaining why each of these documents should be filed under seal in their entirety in accordance with Second Circuit case law."

The parties have conferred and jointly propose redacting all personal identifying information from the documents in question, and then refiling the redacted documents on the public docket on or before January 6, 2023.

If this proposal is acceptable to Your Honor, we respectfully request the Court to so order.

Application GRANTED, and the parties are directed to arrange to have courtesy copies of all motion papers, with unredacted exhibits attached, delivered to Chambers on or before 12/16/2023.

Respectfully submitted,
